## Volunteering

We love to have volunteers in the classroom. It is a great help to the teacher and offers you a chance to see your child in action. Plus, kids love having their own special guest at school (be it mom, dad, grandparents, other family members or caregivers)! How many times per month might you be interested in volunteering in the classroom?

## School Council

As a community program, we are required by Alberta Education to have a School Council to advise and assist us. The group is made up of approximately 12 people (current parents and staff) who meet approximately 5 times per school year. The School Council is responsible for making decisions about the day-to-day operation of the program. Are you interested in learning more about the School Council?
